

# DAY 01 MONDAY

AT CLINIQUE DES CHAMPS ELYSEES

The first day of the workshop you will learn the full view of the buttock surgery with anatomy and techniques.

Video demonstrations are presented, a presentation of what's new in the implant market, and detailed diagrams of the buttock and how the procedures are executed.

September  
**5<sup>th</sup>**

BUS DEPARTURE TO ECOLE DE CHIRURGIE DU FER A MOULIN  
8:30 - 9:00  
Meet on the 3rd floor of the Clinic

**SURGICAL TECHNIQUES**  
9:00 - 13:00  
Dr. Zakine: Table 1-2  
Dr. Levan: Table 3-4  
Dr. Atlan/Dr. Stefanelli: Table 5-6

TIME OFF  
13:00 - 14:30

**SURGICAL INDICATION (Clinique des Champ Elysées)**  
14:30 - 15:00  
Gilbert Zakine MD, PhD; Philippe Levan MD  
What techniques for what patients?  
Why I Failed?  
My technical errors by each trainer?  
Difficult zone : lipoaspiration of Trochanter and Hip : to do or not to do ?  
Volume to reinject : Case with not enough, case with too much.  
How to do overcorrection but not an excessive correction ?

**ANALYSIS OF SURGICAL CASE FOR TOMORROW** with Trainee  
15:00 - 15:30  
a patient with small buttocks  
a patient with big buttocks

# DAY 03

WEDNESDAY

AT CLINIQUE DES CHAMPS ELYSEES

The third part you will observe live surgeries performed by our Master.

You will experience up-close and personally how the techniques are done with narrated explanations and the ability to ask real-time questions.

You will follow up with a debriefing and in the end, you will have learned to improve the technique and results of your buttock surgery.
